Woman like that be sitting alone?

Tom

I don't know.

Enter Charlie Dean,
Another salesman.

Charles

Hey guys?

Tom

We'll hey Charlie. What's a big
Wheeler dealer like you doing

The Musso's?

Bill
We don't know the Musso's do we?

Charlie
Musso and Frank's. It's a bar
Up on Hollywood Blvd.

Rudy
Ahhhh. Thank's Charlie. You are
Truly a diviner.

Charlie
No problem. You can make it up
To me and buy me a drink.

Tom
You got it.

Rudy keeps looking over at Bridget.

Rudy
You know guys, I don' t think I
Can take this anymore.

Bill
Why don't you go over there.

Tom
Yeah, say something.

Rudy
We'll maybe I'll just do
That.

Rudy gets up and goes over

To Bardot's table. Just as
He gets there a man sits down.
He returns to his seat.

Tom
Almost a crash landing, eh?

Night Clerk
Yes sir...

Interior. Rudy Matinee's hotel room. The view is overlooking the Blvd.
He undressed down to his shorts and gets into bed. He turns off the
Light and starts to toss and turn. We hear the TICK TICK of his
Travel clock on the bureau. It reads 3:30 a.m. Suddenly we hear a woman's
Laughter and the voice of Churchill "We must be resilient against the German
Army, Only then can our allied forces hope for victory." Rudy get's up.

Rudy
Huh?

He checks his watch
To see the time and
Looks at the travel alarm.
He returns to sleep.

Rudy
Yes maam. How can I help you?

Mrs. Johnson
I understand that you sell
Roofing here?

Rudy
Yes maam. The finest roofing
Manufacturers in the Nation
Are all represented right here.

Mr. Johnson
Do you sell aluminum siding?

Rudy
I'm afraid not sir. That's
Booth 13 I think.

Mr. Johnson
Thank you very much.

They depart.

We see the sweat pour from Rudy's brow.
The crowds speed up and slow down

In the motion of the frame.
Tom, Bill and Rudy walk out slowly.

Bill
How did it go?

Tom
It wasn't so bad.

Rudy
I need a drink.

Bill
Why don't we go back to the
Hotel and get changed.
We'll need to look bright
For the party.

Rudy
Yeah, bright.

They get in a cab.

Bartender
How about you fellas?

Tom
A seven and seven

Bill
Make that two.

Rudy
A screwdriver.

Bill
Wow. Rudy. Getting fancy.

Rudy
A screwdriver isn't fancy.
A Tom Collins is fancy.

Bill
O.K. O.K. you're right. Relax.
You're new love just walked in.

Bardot enters.

Rudy
You're crazy, Bill. I don't have a chance
With someone like that.

Tom
No. No. You're putting yourself
Down Rudy. A woman like that,
Beautiful, successful, in the spotlight.
Inside she's desperately lonely,
Longing for the average working man.

Bill
To sweep her off her feet.

Tom
Exactly, to sweep her off her feet.

Rudy
You guys are way ahead of me here.
I'm out of my league with that.

Tom
No... come on....

Tom pushes him over.

Rudy

Hello.

Bardot

Hello.

Rudy

I'm Rudy Matinee, from Chicago.
Nice to meet you.

Bardot

I am Brigitte. Brigitte Bardot.

Rudy

I know. I've seen you in
Pictures.

Bardot

Is that a compliment?

Rudy

Oh yes, absolutely.

Bardot

Well, thank you.

Rudy

You're absolutely welcome.

Bardot

Tell me Rudy, what do you do.

Rudy

You wouldn't believe it.

Bardot

Maybe I would.

Rudy

I sell roofing. You know. For the
Top of houses.

Bardot

I wouldn't have guessed you for
A salesman.

Rudy
Oh yeah? What would you
Guess?

Bardot
Maybe a producer or network
Executive.

Rudy
That's a laugh.

Bardot
Why?

Rudy
I just never figured myself the
Entertainment type.

Bardot
Really.

Rudy
Really.

Bardot
All of a sudden it turned quiet.
I think an angel must have passed.

Rudy
What do you mean?

Bardot
I heard that every five minutes
In a conversation there is a
Silence and this means an
Angel has passed over.

Rudy
Really, and what did the angel look
Like Brigitte?

Brigitte
Just like you, Rudy.

Rudy

*Bogart comes over w/
"Hey good looking."*

*Bardot
"Go away you
disgusting man."
Go on Rudy..."*

Oh my god. Don't say that.

Brigitte
Why not.

Rudy
Because it's just too much
For my small salesman mind.

Brigitte
You don't seem to be small
Minded.

Rudy
Are you busy tomorrow?

Brigitte
Why do you ask?

Rudy
I don't know. I thought maybe
We could go to the zoo or something.
See the animals.

Brigitte
I thought all the animals were in here.

Rudy
Nah. The giraffes couldn't get in.

Brigitte
The Giraffes? I love giraffes.
It's a date. This is my number at
The Beverly Hills Hotel.

Rudy
Great.

She scribbles her number
On a napkin.
Rudy returns to Tom and Bill

Bill
Strike out?

Tom

It's all right Rudy. We all
Have our bad days.

Rudy
Not exactly. It's more like
I'm pitching in the World
Series, fellas.

He shows them her
Phone number.

Tom
Unbelievable. Five minutes
At the mound and he's
Sandy Koufax.

Bill
Can't we find something
More exciting tonight?

Rudy
Like what for instance?

Bill
I don't know. A high
Speed chase or something?

Tom
That's funny.

Bill
No. I'm serious fellas.
We go to these conventions.
All we end up doing is
Drinking the time away.

Rudy
What do you have in mind?

Bill
I don't know, anything.
Anything but this.

Tom
This is pretty good.

Rudy
Yeah. What's wrong with this.

Bill
Well, I can't exactly say. I mean, Rudy,
At least you get to cheat on your wife..
All we do is drink. Drink Drink and drink.

Tom
Yeah. That's true.

Rudy
Woe. Woe fellas. Who said anything about
Cheating. We're just going to the
zoo.

Bill (laughing)
You're taking her to the zoo.

Rudy
Yes. As a matter of fact. I am.

Tom
Something about the smell of horse manure
Is going to attract her. Is that the idea?

Rudy
No. I just thought we'd do something unusual.

Bill
Well you certainly picked it. Jeez.
The zoo. Man I never figured you for
Such a square.

Rudy
You guys are nuts.

Fade out.

Interior. Roosevelt Hotel at night. Rudy opens his door and sees a body on the bed.
Rudy doesn't notice at first. He puts away his jacket. Washes his face. Then moves
Over to the phone on the table and then sees the body.

Rudy
Excuse me. Mister. Mister
You must have the wrong room.

The body doesn't move.

Rudy
Hello. Look buddy you must
Be mistaken. This must be
a....

he shakes the
body and it
rolls to the
floor.

Rudy
Jeez. Leon. You've certainly
Looked better.

He dials the phone.

Rudy
Yes this is Rudy Matinee in room 1211.
Can you please send the house Doctor up?

Rudy goes to the window
And looks out.
The Doctor enters.

Dr. Blumenthal
You called for a Doctor.

Rudy
Yes, for my friend Leon
Over there. He looks like
He passed out or something.
I can't say. I don't know.

The doctor checks.

Dr. Blumenthal
I'm afraid he's dead.

Rudy
Dead? He's dead?

Dr. Blumenthal

Yes. What part of dead
Don't you understand.

Rudy
Jeez. Can you tell what
Happened?

Dr. Blumenthal
Not specifically. Do you mind
If I use your phone?

Rudy
Not at all. Go right ahead.

Dr. Blumenthal dials.

Dr. Blumenthal
We have a dead man here at the
Roosevelt. Can you send a
Squad car? Thanks.

The room fills with police.
Flash photos are taken.
The investigator starts
To question.

Policeman
What time did you say you arrived?

Rudy
About 11:30.

Policeman
Was it about 11:30 or exactly 11:30?

Rudy
I'm not sure.

Policeman
Why not?

Rudy
I'd been drinking. I was

A little drunk.
I didn't check my watch.

Policeman
Do you mind coming down
To the station and answering
A few more questions?

Rudy
No. Certainly not officer.
Is it absolutely necessary?

Policeman
I'm afraid so.

Rudy
Well, all right.

They depart.

Interior. Police head quarters. Later that night. Rudy is in a small interrogation room.
He's sipping on a coca cola and an investigator with a nice suit is pacing the room.

Investigator
And how did you know this man?

Rudy
We were friends.

Investigator
Did you work together?

Rudy
No we were competitors.

Investigator
That doesn't exactly make
Sense.

Rudy
What's that?

Investigator

At first you said you were friends.
Now you say you were competitors.

Rudy
Well it was a little bit of both.

Investigator
I see. Have you or anyone of
Your acquaintances ever been
A member of the communist
Party?

Rudy
No. For god's sakes. I'm from
Chicago.

Investigator
That makes no difference.
We have communists in Washington D.C.
You know.

Rudy
Well I'm not one of them.

Investigator
Are you willing to sign a paper
Testifying to that fact?

Rudy
If necessary.

Investigator
It is.

Rudy
What does it say?

Investigator
Does it matter? Are you afraid
To sign the document?

Rudy
Not particularly.

Investigator
Are you prepared to implicate

Any friends you might
Have that are Communists.

Rudy
I don't have any friends that
Are Communists.

Investigator
You're sure?

Rudy
Of course I'm sure.
What do you mean by that?

Investigator
I mean one never knows. You could
Have a communist postman or a communist
Grocery store clerk. You could have a
Communist babysitter and never even
Know it.

Rudy
Well I just don't think our Judy Crandall
Is a communist babysitter.

Investigator
Why not?

Rudy
She goes to Catholic school
Around the corner from where we live.

Investigator
And why should that fact exclude her?

Rudy
This is ridiculous. What does this
Have to do with Leon Bateman's death.

Investigator
It's a murder at this point.
Not a death.

Rudy
Murder? What in the world?

Investigator
That's what we want to know.

Rudy
Well I'm sorry. I've got no answers
For you.

Investigator
Here's the paper. Sign it
And you can go.

Rudy signs it.

Rudy
Thanks. I hope you catch
The killer.

Investigator
Me too.

Interior. Hotel Roosevelt. Much later that night. Rudy is at the bar with John Barrymore and Jimmy Cagney.

Cagney
He must have been a dirty rat.

Rudy
Nah. He was a kitchen utensil salesman.

John Barrymore
Here's too all the kitchen utensil
Salesman.

Rudy
To them.

They drink.

Jimmy Cagney
What do you think the motive was?

Rudy
He probably got caught up in
Gambling or something?

John Barrymore
Was he a dice player?

Rudy
No. Cards.

Cagney
Even worse. I've seen cards
Make men into animals.

Rudy
It's true.

John Barrymore (signaling the bartender)
Here's to all the dead card players.

Rudy
To them.

They drink again.

Jimmy Cagney
Well fellas I'd love to stay and
Chat but I've got to be on the set
At 6 a.m.

Rudy
I've got an early day myself.
Goodnight guys.

Rudy starts for the elevator.

John Barrymore
To all the guys who quit
Drinking early.

Rudy
To them.

Interior. Hotel Room. Late that Night. Rudy enters. Bardot is already in bed, waiting for him.

Rudy
Brigitte? What are you doing here?

Brigitte
I know. It's bad of me. Not
To call or anything. But I
Just couldn't wait.

She gets up and
In her underwear
Approaches him.

Rudy
For what?

Brigitte
For the most seductive man
I have ever met in my life.

Rudy
Really?

Brigitte
Really.

Rudy
You're joking. The guys
Must have put you up to it.

Brigitte
They couldn't have. I don't
Like them.

Rudy
But you don't even know them.

Brigitte
I can just tell I wouldn't like them.

Rudy
You have good sensibilities at least.

Brigitte
Yes.

She undoes his tie.
It falls to the floor.

They make love.

Interior. Hotel Morning. Rudy and Brigitte are in the room. Rudy is still in bed.
Brigitte is dressing.

Rudy

Oh my god. What have I done. Last night
Went by in a tailspin. I don't remember even
Half of it. I don't. I don't even
Remember my own name.
I must be suffering from amnesia or
Something.

Brigitte (preparing to leave)

All I can tell you is
Look up Rudy Matinee in Chicago.
He's a businessman.

Rudy (checking his pockets)

My wallet is gone.
Everything is gone except
This airplane ticket.
My god. I'm lost.
What do I do?

Brigitte

I told you. Look up
Rudy Matinee.

She leaves.

Exterior. Hollywood Blvd. The steps of the Masonic Temple. Rudy is looking
confused. Down at the stars on the avenue. We see the star of James Dean.
The ghost of Dean rises from the star.

James Dean
Can I give you a lift mister?

Rudy
Nah. I heard about how you
Drive. I'd rather walk.

James Dean
Suit yourself.

Bogart (arrives)
Here's a quarter. Why
Don't you get yourself a
Decent meal and some coffee.

Rudy
That's o.k. Really.

Bogart
Don't be a sap. Take it.
It'll come in handy.

Rudy
Thanks. Do you know where
The library is?

Bogart
Just down the street
Below the cantina.

Rudy (picks up his jacket)
Thanks.

Interior. Hollywood Library. Rudy makes it to the counter.

Librarian
Can I help you?

Rudy
Yes I'm looking for the yellow
Pages for Chicago Illinois.

Librarian
Certainly. Just over
There in those shelves.

Rudy looks over
There are
Yellow pages
Scattered out of order
Everywhere.
He goes over.

Rudy
Let's see. Chicago Illinois.
Yes, here it is.

He finds a desk.

Rudy
Rudy Matinee in Chicago.
Wait! Here it is.

He finds the listing
And copies it.

Rudy
I wonder what this is
All about.

Interior. Airplane. Later that afternoon.

Stewardess
Can I offer you some nuts?

Rudy
No thanks. I'm on a diet.

Rubs his stomach.

They land.

Exterior. O'Hare airport.
Rudy gets a cab.

Taxi
Where you going?

Rudy
4304 Spring Street.

Taxi
Ahh.. the suburbs.
That's near the college
Isn't it?

Rudy
I don't know.

Exterior. Rudy's house. Late afternoon. The door is open. He pays the taxi.

Taxi
Thanks mister.

Rudy
You're welcome.

Interior. House. Late afternoon. Rudy enters carefully.

Rudy
Hello, is anybody home?
Hello, hello.

He enters the dining room.
We see pictures of Rudy
With his wife and kids.
He is still in the middle of a
Blackout.

Elaine
Honey, you're home early?

Rudy
Uh. Yeah. How about that?

Elaine (kissing him)
Well welcome back. Why don't
You go up and take a hot shower
Before dinner.

Rudy
All right.

Their child runs in.

Megan
Daddy, daddy!

Rudy
Uh, hi sweetie.

Megan
Did you bring me back a toy like you promised?

Rudy
My luggage got misplaced at the airport.
I'm sorry sweetie.

Megan
That's o.k. I can still talk to my
Dollies.

Rudy
Well that's a good girl.

He goes upstairs.
Takes a shower.

Interior. Dining room. Evening. They eat quietly. There is a television broadcast on the
t.v. going over "High Noon"

Elaine
How do you like it.

Rudy
It's a good steak.

Elaine
Yes. It's from the new market.

Rudy
You should cook more.

Elaine
Honey, I cook every night.
When don't I cook.

Rudy
Uhh. I mean. More steaks.

Elaine
Oh. Oh I see.

Megan (to her dollie)
Then they'll never find out!

Rudy
Find out what Megan

Megan
I was just saying something
Mrs. Pucci was saying in the kitchen.

Rudy
Leon Pucci is dead. They found him
In California.

Megan
They'll never find out!!

Rudy
Honey, when did you hear that?

Megan
Just the other day.

Rudy
Jeez.

Elaine clears the dishes.
Why don't we all get
Some sleep and
Figure it out in the
Morning.

Rudy
Yeah. Jeez, you're right honey.

Inteiror. Bedroom that night. Rudy is staring out the window and Elaine is in bed.

Elaine
Rudy. Why don't you at least try.

Rudy
I'm just not sleepy.
There's some things
I need to figure out.

Elaine
Like what?

Rudy
It's complicated.

Elaine
We'll try me, I'm a good listener.

Rudy
I don't know who I am.

Elaine
You don't know in the metaphysical sense?
The histrionic sense?
What?

Rudy
I mean the total package.

Elaine
Honey, come to bed. It's late.

Rudy
I can't. There's something
I forgot to do.

He dials the phone
And books a flight.

Rudy

Hi.
I need to book a flight for
Los Angeles as soon as possible.
11:30 p.m. tonight. Great.
Thanks.

He hangs up.

Elaine

Aren't you even going to pack?

Rudy

I won't be staying that long.

Exterior. The house. We see Rudy get in a cab. We see Rudy check in. In the airplane.
Catch another cab. Back to the Exterior. Roosevelt. Then another Interior of the lobby.

Interior. Room at the Hotel. Rudy enters. Bardot plunges herself onto him.

Bardot

Rudy, Rudy, Rudy
I've missed you like crazy.
Take me now Rudy.

Rudy

I'm not sure what is going....

She tears his shirt.

Bardot

I can't wait Rudy.
I can't.

She pulls down his pants.

Rudy
Woe. I think I just figured it out.
Yes, it's all clear to me now.
I'm Rudy Matinee, a roofing
Salesman from Chicago.
I have a wife Elaine and a
Daughter, Megan. I own
Two cars and a house in
The suburbs.

Brigitte
In Chicago. Yes. Yes.

He starts to pack

Rudy
But no. I can't do this.
I love my wife. I just
Can't do this. I thought
I could at first. That it
Would be romantic, exciting
Maybe even thrilling. But
I love my wife. I love my kid.
I'm sorry.

He departs.

We hear "Rudy don't leave me..." through the door as he enters the hallway.

He goes to the payphone.

Rudy
Detective. This is Rudy Matinee.
It was Leon's wife. My daughter
Heard her in her own kitchen
Saying know one would find out.

We hear "that's great Rudy.. thanks and good luck to you..."

Interior. Lobby. Rudy checks out. Afternoon.

Desk Clerk
That'll be \$114.00 dollars.

Rudy
Do you take Diner's Club?

Desk Clerk
Yes sir.

Rudy
Thanks.

Exterior. Hotel Roosevelt. Rudy flags a cab. We see a director's crane pull back.

Director
Cut. That's a print.

Rudy
Was that o.k. Did you
Like that. Was that convincing?

A little boy approaches.

Boy
Hey mister. Can I have your autograph?

Rudy
I guess they really do like me.

Director
You're a star Rudy. A Star.
Now let's do that scene again.
Everyone, back to their places.

Roll credits.
The end.
